NOVA SCOTIA PROVINCIAL LIBRARY COLLECTION OF TALKING BOOKS ON COMPACT CASSETTE

This catalogue is a list of talking books purchased by the Nova Scotia Provincial Library for users of public libraries.

Talking books are exclusively for the use of persons who are unable to read conventional print because of blindness, visual or physical handicap, or reading disability resulting from organic dysfunction.

Nova Scotia Provincial Library's purchasing agreement with suppliers requires that an eligibility form be completed for each individual using talking books. This must include certification by a professional authority (a doctor, nurse, social worker, clergyman, or other competent authority who has a professional knowledge of the nature and probable duration of the handicap). In the case of a reading disability from organic dysfunction, the competent authority is defined as doctors of medicine who may consult with colleagues in associated disciplines.

Applications for this service are included at the back of this catalogue or are available at any public library or bookmobile in Nova Scotia.

Talking books are protected by copyright and MAY NOT BE DUPLICATED OR BROADCAST.
